

**Florida Fishing Academy
Birds in My Backyard
Grades K-2**

Have you ever taken a moment outside to notice your surrounding? You may not have noticed it at first, but you are in a living ecosystem, even in Urban neighborhoods.

We want you to take a moment to go outside and relax. Observe what is around you. Do you see any living animals? Bugs, birds, caterpillars, squirrels, lizards?

Draw a picture of what stands out to you.

This program is made possible with the support from Prime Time Palm Beach County, Inc., which receives significant funding for its overall operations from the Children’s Service Council of Palm Beach County. The Palm Beach County Youth Service Department provides support for Prime Time’s Middle School Out-of-School Time Initiative.
